Full enjoyment

Enjoy unlimitedly thanks to the 20 types of hot drinks such as espresso, ristretto, lungo, doppio, americano, latte macchiato, cortado, cappuccino, macchiato, and hot waters to enjoy your favourite tea or infusions.

PRESSURE

Perfect coffees

Enjoy the best froth and aroma with its powerful pressure pump with 19-bar Force Aroma technology that achieves maximum coffee flavour.

THERMOBLOCK

Oscillating temperature

This heating system ensures that the temperature is kept in the optimum range for the best coffee, as it only heats as much water as it needs, making it more energy efficient.

RECIPES

Always top notch

Its integrated recipe booklet* guides you step by step through the most famous and original coffee recipes as if you had a barista at home to carry them out.

CUSTOMISATION

To your liking

CustomCoffee system that allows customising intensity, temperature, pressure, coffee, milk, cream and froth quantity, and even choosing the order in which ingredients are poured. Enjoy your favourite coffee.

GRINDER

Freshly ground

Thanks to its integrated grinder with several grinding levels, it guarantees an instant grind without changing its aroma, achieving maximum intensity and the best flavour.

CLEANING

Like new

The Power Matic-ccino coffee machines are designed to offer maximum functionality and convenience to the user, which is why the drip tray is removable for quick and optimal cleaning. It also features an automatic self-cleaning system, which ensures always perfect coffees.

DOUBLE SPOUT

One or two?

Brew 1 or 2 coffees at the same time thanks to its portafilter with double spout*. The base tray can be adjusted in height for larger or smaller cups to fit, ensuring maximum adaptability and the best coffee results.

MILK TANK

All under control

With its large tank* of up to 500 ml, you can always have a little milk on hand to make delicious, creamy coffees in seconds.

DISPLAY

With a slight touch

Its intuitive touch screen display* allows you to make all your drinks or user customisations with a light touch on its totally visual and intuitive screen.
